Comfort The World

ABOUT PMS

PMS Prestige Multi System Sdn Bhd (PMS) is a private limited company with an excellent track record of providing modern, sophisticated seating products to cater a community that demands the finest in terms of comfort, durability and ergonomic specifications. Through an integrated and systematic approach, the products are designed and benchmarked against international standards and customised to cater local social, cultural, economic and environmental specifications.

VISSION

PMS Prestige Multi System Sdn Bhd (PMS) envisages a healthy community comfortably engaged (seated) as spectators or members of an audience (in formal and informal settings). The prime objective of the organisation is to source the best seating products that are affordable without compromising on quality, durability and sustainability. Providing seating solutions through win-win collaborative negotiations, adequate product warranty and customer services through best practices are hallmarks of the company.

MISSION

The company's design division provides complete product development consultancy in terms of industrial design, graphics, packaging and promotional tools for marketing. The current products are geared to meet the varying specific requirements of modern auditoriums, stadiums, institutions of learning, light and heavy industrial workshops, entertainment and leisure halls.
